- What is Employment??
- According to 8 C.F.R. 274a.2:
 - “An employee means an individual who provides services or labor for an employer for wages or other remuneration but does not mean independent contractors... Or those engaged in casual domestic employment...”
 - “An employment means any service or labor performed by an employee for an employer within the United States... However, employment does not include casual employment by individuals who provide domestic service in a private home that is sporadic, irregular or intermittent.”
 - “ The term independent contractor includes individuals or entities who carry on independent business, contract to do a piece of work according to their own means and methods, and are subject to control only as to results.” – This determination is on a case-by-case basis.
